ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE ACQUIRING FUND

The representations and warranties set out in this Article IV are given hereunder by the Acquiring Fund to the Investor as of the date of this Agreement.

4.1 Existence

The Acquiring Fund is existing and in good standing as a Massachusetts business trust, under the laws of the Commonwealth of Massachusetts, with full right and power to issue the RVMTP Merger Shares, and to execute, deliver and perform its obligations under this Agreement and each Related Document to which it is a party.

4.2 Authorization; Contravention

The execution, delivery and performance by the Acquiring Fund of this Agreement and each Related Document to which it is a party are within the Acquiring Fund's powers, have been duly authorized by the Acquiring Fund, require no consent, approval, authorization, order or permit of, or qualification with, any governmental body, agency or official except such as have been taken or made and as may be required by the 1940 Act, the Securities Act, or by the securities laws (or the statutes of any state regulating the sale of corporate securities within that state ("Blue Sky Laws")) of the various states and foreign jurisdictions in connection with the Exchange of the RVMTP Merger Shares and do not violate or contravene, or constitute a default under, any provision of applicable law, charter, ordinance or regulation or of any material agreement, judgment, injunction, order, decree or other material instrument binding upon the Acquiring Fund, except in the case of an agreement where such violation, contravention or default would not have a material adverse effect on the condition (financial or other), business prospects, properties, net assets or results of operations of the Acquiring Fund (a "**Fund Material Adverse Effect**").

4.3 Binding Effect

Each of this Agreement and the Registration Rights Agreement constitutes a valid and binding agreement of the Acquiring Fund, enforceable in accordance with its terms except as (i) the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and by general equitable principles (regardless of whether enforceability is considered in a proceeding in equity or at law) and (ii) rights to indemnity and contribution thereunder may be limited by federal and state securities laws. The RVMTP Merger Shares have been duly authorized and, when issued as contemplated by the Agreement and Plan of Reorganization, will be validly issued by the Issuer and fully paid and nonassessable.

4.4 Financial Information

The financial statements of the Acquiring Fund as of its most recent fiscal year-end, and the auditors' report with respect thereto, copies of which are contained in each Fund's annual report to shareholders of the Funds for the fiscal year ended December 31, 2024, fairly present in all material respects the financial condition of the Acquiring Fund, at such date and for such period, and were prepared in accordance with accounting principles generally accepted in the United States, consistently applied (except as required or permitted and disclosed). Since the most recent fiscal year end, there has been no material adverse change in the condition (financial or otherwise) or operations of the Acquiring Fund, except as disclosed or contemplated in the N-14, other than changes in the general economy or changes affecting the market for municipal securities or investment companies generally, except to the extent that any such change would not have a material adverse effect on the Acquiring Fund's ability to consummate the transactions contemplated herein or would have a Fund Material Adverse Effect. Any financial, budget and other projections furnished to the Investor were prepared in good faith on the basis of the assumptions stated therein, which assumptions were fair and reasonable in light of conditions existing at the time of delivery of such financial, budget or other projections, and represented, and as of the date of this representation, represent, the Acquiring Fund's good faith estimate of the Acquiring Fund's future financial performance.

4.5 Litigation

Except as disclosed in the N-14 or in a schedule delivered to the Investor prior to the Effective Date, no material action, suit, proceeding or investigation to which the Acquiring Fund is a party is pending or (to the knowledge of the Acquiring Fund) overtly threatened in writing against the Acquiring Fund in any court or before any governmental authority (i) that, if decided adversely, would reasonably be expected to materially adversely affect the validity of any Related Document, including this Agreement; or (ii) in which a final adverse decision would reasonably be expected to materially adversely affect the sources for payment of the Liquidation Preference of or dividends on the RVMTP Merger Shares.

4.6 Consents

All consents, licenses, approvals, validations and authorizations of, and registrations, validations or declarations by or with, any shareholder, court or any governmental agency, bureau or agency required to be obtained or made in connection with the execution, delivery, performance, validity or enforceability of this Agreement and the other Related Documents (including the RVMTP Merger Shares) by or against the Acquiring Fund have been obtained or made and are in full force and effect except those that the failure to obtain or make or maintain in full force and effect would not reasonably be expected to have a material adverse effect on the ability of the Acquiring Fund to consummate the transactions contemplated hereby or on the ability of the Acquiring Fund to comply with any Related Document or on the enforceability of any Related Document against the Acquiring Fund.

(c) Assuming the accuracy of the representations and warranties of the Investor set forth herein, neither the Acquiring Fund, nor, to the Acquiring Fund's knowledge, any Person acting on its behalf, has, directly or indirectly, made offers or sales of any security (as defined in the Securities Act), or solicited offers to buy any security, under circumstances that would require the registration of the RVMTP Shares under the Securities Act.

(d) If the Acquiring Fund establishes a Bloomberg screen for the RVMTP Shares, the Acquiring Fund will request that Bloomberg, L.P. include the following (or similar) language on each Bloomberg screen containing information about the RVMTP Shares:

(e) The Acquiring Fund has instructed or will instruct The Depository Trust Company ("**DTC**") to take these or similar steps with respect to the RVMTP Shares:

(i) Each of the filings with the Securities and Exchange Commission since July 31, 2013 that it is required to make under the 1940 Act (each such filing, a "**1940 Act Document**") complies in all material respects with the requirements of the 1940 Act, and each 1940 Act Document did not at the time of filing with the Securities and Exchange Commission include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(j) No consent, approval, authorization, filing with or order of any court or governmental agency or body is required by the Acquiring Fund in connection with the transactions contemplated in this Agreement, the Calculation and Paying Agent Agreement, the Statement and the N-14 (collectively, the "**Fund Agreements**"), except such as have been made or obtained under Blue Sky Laws of the various states and foreign jurisdictions, the Securities Act, the 1940 Act, the rules and regulations of the Financial Industry Regulatory Authority, Inc. and the New York Stock Exchange, and except where the failure to obtain such consent, approval, authorization, order, permit or qualification would not have a Fund Material Adverse Effect.

(k) None of the execution, delivery or performance of any of the Fund Agreements, nor the consummation of the transactions herein or therein contemplated, nor the fulfillment of the terms hereof or thereof, conflict with, result in a breach or violation of, or require or result in imposition of any material lien, charge or encumbrance upon any property or assets of the Acquiring Fund pursuant to, (i) the Declaration or the Statement, or (ii) the terms of any material indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which the Acquiring Fund is a party or by which it is bound or to which its property is subject, or materially violates or will materially violate any material statute, law, rule, regulation, judgment, order or decree

applicable to the Acquiring Fund of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Acquiring Fund or any of its properties.

(l) The Acquiring Fund is not in violation or default of any provision of its Declaration or the Statement, or in material violation of (i) the terms of any material indenture, contract, lease, mortgage, deed of trust, note agreement, loan agreement or other agreement, obligation, condition, covenant or instrument to which it is a party or bound or to which its property is subject or (ii) any material statute, law, rule, regulation, judgment, order or decree of any court, regulatory body, administrative agency, governmental body, arbitrator or other authority having jurisdiction over the Acquiring Fund or any of its properties, except in the case of clause (i) where such violation or default would not have a Fund Material Adverse Effect.

(m) Since the date as of which information is given in the N-14, except as otherwise stated therein, (i) no transaction or event has occurred and no change has occurred in the condition (financial or otherwise) or operations of the Acquiring Fund that would materially and adversely affect its ability to perform its obligations under this Agreement and the other Related Documents to which it is a party or by which it is bound and (ii) there have been no transactions entered into by the Acquiring Fund which are material to the Acquiring Fund other than those in the ordinary course of its business or as described or contemplated in the N-14 (and any amendment or supplement thereto).

(p) The Acquiring Fund possesses all licenses, certificates, permits and other authorizations issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct its business, and the Acquiring Fund has not received any notice of proceedings relating to the revocation or modification of any such license, certificate, permit or authorization which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a material adverse effect on the condition (financial or otherwise), business prospects, earnings, business or properties of the Acquiring Fund (other than as a result of a change in the financial markets generally), whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the N-14.

(q) The Acquiring Fund maintains and will maintain a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with

management's general or specific authorization and with the investment objectives, policies and restrictions of the Acquiring Fund and the applicable requirements of the 1940 Act and the Code; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with accounting principles generally accepted in the United States, to calculate net asset value, to maintain accountability for assets and to maintain material compliance with the books and records requirements under the 1940 Act; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with existing assets at reasonable intervals and appropriate action is taken with respect to any differences. The Acquiring Fund is not aware of any material weakness in its internal controls over financial reporting.

(r) The Acquiring Fund maintains "disclosure controls and procedures" (as such term is defined in Rule 30a-3 under the 1940 Act); such disclosure controls and procedures provide reasonable assurance that the material information required to be disclosed by the registrant is recorded, processed, summarized, and reported within the time periods specified in the Securities and Exchange Commission's rules and forms.

(s) Except as described in the N-14, the Acquiring Fund has not taken, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in a violation of federal securities laws or in stabilization or manipulation of the price of any security of the Acquiring Fund to facilitate the resale of the RVMTP Shares, and the Acquiring Fund is not aware of any such action taken or to be taken by any affiliates of the Acquiring Fund.

(v) The Acquiring Fund has filed all foreign, federal, state and local tax returns required to be filed or has properly requested extensions thereof (except in any case in which the failure so to file would not have a Fund Material Adverse Effect (other than as a result of a change in the financial markets generally), whether or not arising from transactions in the ordinary course of business, except as set forth or incorporated by reference in or contemplated in the N-14) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as would not have a Fund Material Adverse Effect (other than as a result of a change in the financial markets generally), whether or not arising from transactions in the ordinary course of business, except as set forth or incorporated by reference in or contemplated in the N-14; and the Acquiring Fund has been and is currently in compliance with the requirements of Subchapter M of the Code to qualify as a regulated investment company under the Code.

All information, reports and other papers, documentation and data with respect to the Acquiring Fund furnished to the Investor pursuant to this Section 7.1 shall be, at the time the same are so furnished, complete and correct in all material respects and, when considered with all other material delivered to the Investor under this Agreement, or made available pursuant to the Due Diligence Request, will not contain untrue statements of material facts or omit to state material facts necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading. For purposes of Sections 7.1(m) and 7.1(n), references to any day that is not a Business Day shall mean the next preceding Business Day.

7.2 No Amendment or Certain Other Actions Without Consent of the Investor

To the extent that the Investor (together with any of its affiliates) is the Holder or Designated Owner of at least 51% of all RVMTP Shares then Outstanding in the aggregate among all Series of RVMTP Shares, without the prior written consent of the Investor, the Acquiring Fund will not agree to, consent to or permit any amendment, supplement, modification or repeal of the Statement or any provision therein, nor waive any provision thereof (for the avoidance of doubt, this does not affect the Acquiring Fund's ability to provide notice of and designate a Special Terms Period under the Statement).

7.3 Maintenance of Existence

The Acquiring Fund shall continue to maintain its existence as a business trust under the laws of the Commonwealth of Massachusetts, with full right and power to issue the RVMTP Shares and to execute, deliver and perform its obligations under this Agreement and each Related Document.

7.4 Tax Status of the Acquiring Fund

The Acquiring Fund will qualify as a "regulated investment company" within the meaning of Section 851 of the Code and the dividends made with respect to the RVMTP Shares will qualify as "exempt interest dividends" to the extent they are reported as such by the Acquiring Fund and permitted by Section 852(b)(5)(A) of the Code.

The Acquiring Fund shall promptly pay or cause to be paid all amounts payable by it hereunder and under the Related Documents, according to the terms hereof and thereof, shall take such actions as may be necessary to include all payments hereunder and thereunder which are subject to appropriation in its budget and make full appropriations related thereto, and shall duly perform each of its obligations under this Agreement and the Related Documents. All payments of any sums due hereunder shall be made in the amounts required hereunder without any reduction or setoff, notwithstanding the assertion of any right of recoupment or setoff or of any counterclaim by the Acquiring Fund.

7.6 Compliance With Law

The Acquiring Fund shall comply with all laws, ordinances, orders, rules and regulations that may be applicable to it if the failure to comply would reasonably be expected to have a material adverse

effect on the Acquiring Fund's ability to pay or otherwise perform when due its obligations under this Agreement, any of the RVMTP Shares, or any of the other Related Documents.

7.7 Maintenance of Approvals: Filings, Etc.

The Acquiring Fund shall at all times maintain in effect, renew and comply with all the terms and conditions of all consents, filings, licenses, approvals and authorizations as may be necessary under any applicable law or regulation for its execution, delivery and performance of this Agreement and the other Related Documents to which it is a party.

7.8 Inspection Rights

The Acquiring Fund shall, at any reasonable time and from time to time, upon reasonable notice, permit the Investor or any agents or representatives thereof, to examine the records and books of account related to the transactions contemplated by this Agreement, to visit its properties and to discuss its affairs, finances and accounts with any of its officers and independent accountants, to the extent permitted by law, provided, however, that (i) the Acquiring Fund shall not be required to permit more than one inspection per fiscal year and (ii) in accordance with the Acquiring Fund's internal practice with respect to providing certain confidential information to third parties, the Acquiring Fund may redact, omit, or summarize certain confidential information in response to a request by the Investor or any agents or representatives thereof for such information. The Acquiring Fund will not unreasonably withhold its authorization for its independent accountants to discuss its affairs, finances and accounts with the Investor.

All information, reports and other papers, documentation and data with respect to the Acquiring Fund furnished to the Investor pursuant to this Section 7.8 shall be, at the time the same are so furnished, complete and correct in all material respects.

7.9 Information Regarding Litigation, Etc.

All information, reports and other papers, documentation and data with respect to the Acquiring Fund furnished to the Investor pursuant to Section 7.1 shall be, at the time the same are so furnished, complete and correct in all material respects.

7.10 1940 Act Registration

The Acquiring Fund shall maintain its valid registration as a registered closed-end company under the 1940 Act in full force and effect.

7.11 Eligible Assets

The Acquiring Fund shall only make investments in the Eligible Assets as described on Exhibit B to this Agreement, as it may be amended from time to time with the prior written consent of the Investor, or as has otherwise been agreed to in writing between the Acquiring Fund (or the Acquired Fund) and the Investor in accordance with the Acquiring Fund's investment objectives and the investment policies set forth in the N-14, as such investment objectives and investment policies may be modified in accordance with the 1940 Act and applicable law and, if applicable, the Related Documents.

7.12 Investments

Unless the Acquiring Fund receives the prior written consent of the Investor (such consent to be determined in the good faith discretion of the Investor), the Acquiring Fund (1) will invest at least

80% of its Managed Assets in securities that, at the time of investment, were rated within the four highest grades (Baa or BBB or better) by Moody's, S&P or Fitch or, if unrated, determined by PIMCO to be of comparable quality; and (2) may invest up to 20% of its Managed Assets in municipal securities that, at the time of investment, are rated Ba/BB or B or lower by Moody's, S&P or Fitch or, if unrated, determined by PIMCO to be of comparable quality. Any breach of this Section 7.12 is subject to cure within 30 calendar days of discovery thereof or written notice by any Holder.

7.13 Maintenance of Effective Leverage Ratio

For so long as the Acquiring Fund fails to provide the information required under Sections 7.1(m) and 7.1(n), the Investor may calculate, for purposes of Section 2.6(b)(ii)(A)(2) of the Statement, the Effective Leverage Ratio using the most recently received information required to be delivered pursuant to Sections 7.1(m) and 7.1(n) and the Market Values of securities determined by the third-party pricing service which provided the Market Values to the Acquiring Fund on the most recent date that information was properly provided by the Acquiring Fund pursuant to the requirements of Section 7.1(m) and 7.1(n). The Effective Leverage Ratio as calculated by the Investor in such instances shall be binding on the Acquiring Fund. If required, the Acquiring Fund shall restore the Effective Leverage Ratio as provided in the Statement.

In connection with calculating the Effective Leverage Ratio, the Acquiring Fund's total assets and accrued liabilities shall reflect the positive or negative net obligations of the Acquiring Fund under each Derivative Contract determined in accordance with the Acquiring Fund's valuation policies.

7.14 Calculation and Paying Agent

The Acquiring Fund shall use its commercially reasonable best efforts to engage at all times a Calculation and Paying Agent to perform the duties to be performed by the Calculation and Paying Agent specified herein and in the Statement.

The Acquiring Fund will use commercially reasonable efforts to comply with reasonable due diligence requests from the Investor in connection with any proposed sale by the Investor of the RVMTP Shares in a transaction exempt from registration under the Securities Act and otherwise permitted by this Agreement, provided that (i) the Acquiring Fund need not comply with any such request more than twice in any period of twelve consecutive months, (ii) any prospective purchaser of the RVMTP Shares from the Investor shall execute a confidentiality agreement substantially to the effect of Section 8.13 hereof prior to receiving any due diligence materials provided pursuant to such due diligence request, and (iii) the Investor's due diligence requests pursuant to this Section 7.15 and the Acquiring Fund's responses thereto will each be similar in scope to the Due Diligence Request and the Acquiring Fund's responses thereto, respectively, subject to reasonable modifications to such requests and responses in light of the circumstances in which they are made.

All information, reports and other papers, documentation and data with respect to the Acquiring Fund furnished to the Investor pursuant to this Section 7.15 shall be, at the time the same are so furnished, complete and correct in all material respects.

8.2 No Waivers

(a) The obligations of the Acquiring Fund hereunder shall not in any way be modified or limited by reference to any other document, instrument or agreement (including, without limitation, the RVMTP Shares or any other Related Document). The rights of the Investor hereunder are separate from and in addition to any rights that any Holder or Designated Owner of any RVMTP Share may have under the terms of such RVMTP Share or any Related Document or otherwise.

(b) No failure or delay by the Acquiring Fund or the Investor in exercising any right, power or privilege hereunder or under the RVMTP Shares shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No failure or delay by the Acquiring Fund or the Investor in exercising any right, power or privilege under or in respect of the RVMTP Shares or any other Related Document shall affect the rights, powers or privileges of the Acquiring Fund or the Investor hereunder or shall operate as a limitation or waiver thereof. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

8.3 Expenses and Indemnification

(a) The Acquiring Fund shall upon demand reimburse the Investor (to the extent that payments for the following items are not made under the other provisions hereof) for all reasonable out-of-pocket expenses (including reasonable fees and costs of outside counsel, and reasonable consulting, accounting, appraisal, investment banking, and similar professional fees and charges) incurred by the Investor in connection with the enforcement of or preservation of rights under this Agreement, provided, however, that the Acquiring Fund shall not be responsible for the Investor's costs in connection with any subsequent offer and sale of the RVMTP Shares made by the Investor pursuant to Rule 144A under the Securities Act or another available exemption from registration under the Securities Act, in a manner not involving any public offering within the meaning of Section 4(a)(2) of the Securities Act. The Acquiring Fund shall not be responsible under this Section 8.3(a) for the fees and costs of more than one law firm in any one jurisdiction with respect to any one proceeding or set of related proceedings for the Investor, unless the Investor shall have reasonably concluded that there are legal defenses available to them that are different from or additional to those available to the Acquiring Fund.

(b) The Acquiring Fund agrees to indemnify and hold harmless the Investor and each other Indemnified Person of the Investor from and against any losses, claims, damages, liabilities and reasonable out-of-pocket expenses incurred by them (including reasonable fees and disbursements of outside counsel) which are related to or arise out of (A) any material misstatements or any material statements omitted to be made in the N-14 (including any documents incorporated by reference therein) or (B) any claim by any third party relating to the offering or issuance of the RVMTP Shares by the Acquiring

Fund or the holding of the RVMTP Shares by the Investor (x) that the Investor aided and abetted a breach of a fiduciary duty by the Acquiring Fund or any director or officer of the Acquiring Fund or (y) arising from any act by the Acquiring Fund or any director or officer of the Acquiring Fund (excluding in any such case of either clauses (A) or (B), claims, losses, liabilities or expenses arising out of or resulting from the gross negligence or willful misconduct of any Indemnified Person as determined by a court of competent jurisdiction).

(c) If any action, suit, proceeding or investigation is commenced, as to which an Indemnified Person proposes to demand indemnification, it shall notify the indemnifying party with reasonable promptness; provided, however, that any failure by such Indemnified Person to notify the indemnifying party shall not relieve the indemnifying party from its obligations hereunder (except to the extent that the indemnifying party is materially prejudiced by such failure to promptly notify). The indemnifying party shall be entitled to assume the defense of any such action, suit, proceeding or investigation, including the employment of counsel reasonably satisfactory to the Indemnified Person. The Indemnified Person shall have the right to counsel of its own choice to represent it, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless (i) the indemnifying party has failed promptly to assume the defense and employ counsel reasonably satisfactory to the Indemnified Person in accordance with the preceding sentence or (ii) the Indemnified Person shall have been advised by counsel that there exist actual or potential conflicting interests between the indemnifying party and such Indemnified Person, including situations in which one or more legal defenses may be available to such Indemnified Person that are different from or additional to those available to the indemnifying party; provided, however, that the indemnifying party shall not, in connection with any one such action or proceeding or separate but substantially similar actions or proceedings arising out of the same general allegations be liable for fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Persons of such other party; and such counsel shall, to the extent consistent with its professional responsibilities, cooperate with the indemnifying party and any counsel designated by the indemnifying party.

Each party further agrees that it will not, without the prior written consent of the other party (the consent of a party shall not be required to the extent such party is neither requesting indemnification nor being requested to provide indemnification), settle or compromise or consent to the entry of any judgment in any pending or threatened claim, action, suit or proceeding in respect of which indemnification may be sought hereunder (whether or not any Indemnified Person is an actual or potential party to such claim, action, suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each other Indemnified Person from all liability and obligations arising therefrom. The Acquiring Fund further agrees that no Indemnified Person shall have any liability to the Acquiring Fund arising out of or in connection with the proposed transactions giving rise to or contemplated by this Agreement except for such liability for losses, claims, damages, liabilities or expenses to the extent they have resulted from an Indemnified Person's gross negligence or willful misconduct. No Indemnified Person shall be responsible or liable to the indemnifying party or any other person for consequential, special or punitive damages which may be alleged as a result of this Agreement.

(d) Nothing in this Section 8.3 is intended to limit either party's obligations contained in other parts of this Agreement or the RVMTP Shares.

8.4 Amendments and Waivers

Any provision of this Agreement may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Acquiring Fund and the Investor; provided, that the Acquiring Fund shall not make or agree to any amendment or waiver to the Declaration or the Statement

that materially and adversely affects any preference, right or power of the RVMTP Shares or the Holders or Designated Owners thereof except as permitted under the Declaration or the Statement.

8.5 Successors and Assigns

The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Neither the Acquiring Fund nor the Investor may assign or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other party (other than by operation of law), except that (1) any transferee satisfying the requirements set forth in Section 2.1 and which has executed and delivered to the Acquiring Fund the transferee certificate attached as Exhibit C shall, prior to registration of any RVMTP Shares under the Securities Act, have the rights set forth in Section 8.15 and shall, so long as such transferee has provided a means for the Acquiring Fund to transmit such information electronically to it, be entitled to receive the information delivered pursuant to Sections 7.1(m) and 7.1(n) and such transferees shall be deemed a party to this Agreement for purposes of Sections 7.1(m) and 7.1(n) and the confidentiality provisions herein as specified in the transferee certificate and (2) the Investor may assign its rights or obligations to any affiliates of the Investor or any tender option bond trust (or similar vehicle) in which the Investor retains the entire residual interest. Any assignment without such prior written consent shall be void.

8.6 Term of this Agreement

This Agreement shall terminate on the earlier of (x) the registration of any Outstanding RVMTP Shares under the Securities Act and (y) the payment in full of all amounts then due and owing to the Investor hereunder and under the RVMTP Shares; and notwithstanding any termination of this Agreement, Section 8.3, Section 8.7, Section 8.8, Section 8.10, Section 8.11, the second sentence of Section 8.12, and Section 8.13 (for a period of two (2) years after the termination of this Agreement in the case of Section 8.13) shall remain in full force and effect, except that the Investor may assign its rights or obligations to any affiliates of the Investor or any tender option bond trust (or similar vehicle) in which the Investor retains the entire residual interest. For the avoidance of doubt, if the Investor sells all of its RVMTP Shares and, in the case of a sale to a tender option bond trust (or similar vehicle), the Investor does not nor does any affiliate of the Investor retain any residual interest in any RVMTP Shares sold to such tender option bond trust (or similar vehicle) other than in connection with the Investor's repurchase of the RVMTP Shares from the tender option bond trust (or similar vehicle), no further amounts will be due and owing to the Investor with respect to such RVMTP Shares for purposes of clause (y) of this Section 8.6.

8.7 Governing Law

This Agreement shall be construed in accordance with and governed by the domestic law of the State of New York.

THE PARTIES HERETO HEREBY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY DISPUTE RELATED TO THIS AGREEMENT OR ANY MATTERS CONTEMPLATED HEREBY.

8.8 Waiver of Jury Trial

The Acquiring Fund and the Investor hereby waive trial by jury in any action, proceeding or counterclaim brought by any of the parties hereto against the other on any matters whatsoever arising out of or in any way connected with this Agreement.

8.9 Counterparts and Electronic Signatures

This Agreement may be signed in counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Any counterpart or other signature delivered by facsimile or by electronic mail shall be deemed for all purposes as being a good and valid execution and delivery of this Agreement by that party. The parties hereto further acknowledge and agree that this Agreement may be signed and/or transmitted by e-mail or a .pdf document or using electronic signature technology (e.g., via DocuSign, Adobesign, or other electronic signature technology), and that such signed electronic record shall be valid and as effective to bind the party so signing as a paper copy bearing such party's handwritten signature. The parties further consent and agree that (i) to the extent a party signs this Agreement using electronic signature technology, by clicking "SIGN", such party is signing this Agreement electronically; and (ii) the electronic signatures appearing on this Agreement shall be treated, for purposes of validity, enforceability and admissibility, the same as handwritten signatures.

8.10 Beneficiaries

This Agreement is not intended and shall not be construed to confer upon any Person other than the parties hereto and their successors and permitted assigns any rights or remedies hereunder.

8.11 Entire Agreement

Except as specified herein, this Agreement shall constitute the entire agreement and understanding between the parties hereto with respect to the matters set forth herein and shall supersede any and all prior agreements and understandings relating to the subject matter hereof.

8.12 Relationship to the Statement

The Acquiring Fund and the Investor agree that the representations, warranties, covenants and agreements contained in this Agreement are in addition to the terms and provisions set forth in the Statement. Further, the Acquiring Fund and the Investor agree and consent to the updates to the Statement as described herein.

8.13 Confidentiality

Any information delivered by a party to this Agreement to any other party pursuant to this Agreement, including, without limitation, pursuant to Section 7.1 in the case of the Acquiring Fund (collectively, the "**Information**"), shall not be disclosed by such other party (or its affiliates or their respective employees, representatives or agents) to any person or entity (except as required by law or to such of its agents and advisors as need to know and agree to be bound by the provisions of this paragraph) without the prior written consent of the party delivering the Information. The parties agree that the Information (including, but not limited to, the Information provided pursuant to Section 6.1(m) and Section 6.1(n)) shall be used solely for the purposes set forth in this Agreement and the other Related Documents, including the purposes set forth in the next paragraph of this Section 8.13, and for no other purpose, including the purchase or sale by the Investor (or its affiliates) of the Acquiring Fund's Common Shares or any other security. Without limiting the foregoing, the parties hereto expressly agree to maintain the Information in confidence for purposes of Regulation FD promulgated under the Securities Exchange Act of 1934, as amended. Notwithstanding anything to the contrary in this Agreement, Portfolio Information (1) is the confidential property of the Acquiring Fund, (2) may not be used for any purpose except in connection with the provision of services to the Acquiring Funds or for an agreed-upon legitimate business purpose (which shall be deemed to include, for example, credit monitoring and risk management monitoring activities with respect to the RVMTP Shares), and (3) may not be traded upon. Upon the written request

from the Acquiring Fund or the Investment Manager, the Investor shall, and shall cause its affiliates or their respective employees, representatives or agents to, promptly return or destroy any Portfolio Information as requested by the Acquiring Fund or the Investment Manager, as applicable, except as otherwise required by applicable law or the Investor's record retention policies and procedures.

The obligations of confidentiality and use set out in the preceding paragraph do not extend to Information that is or becomes available to the public or is or becomes available to the party receiving the Information on a non-confidential basis or is disclosed to Holders or Designated Owners or potential Holders or Designated Owners (including potential investors in tender option bond trusts (or similar vehicles) where such trust is a potential Holder or Designated Owner), in each case in their capacity as such, in the offering documents of the Acquiring Fund, in notices to Holders or Designated Owners pursuant to one or more of the Related Documents, was or is independently developed by the party receiving the Information without use or reference to the Information provided by the disclosing party, or pursuant to the Acquiring Fund's or the Investor's informational obligations under Rule 144A(d)(4) or other reporting obligation of the Securities and Exchange Commission; or is required or requested to be disclosed (i) by a regulatory agency (including self-regulatory agencies) or in connection with an examination of any party or its representatives by regulatory authorities (including self-regulatory authorities), (ii) pursuant to judicial order, subpoena or other legal, regulatory, or self-regulatory process, (iii) at the express direction of any other authorized government agency, (iv) to its independent attorneys or auditors, (v) as requested or required by any NRSRO, (vi) as otherwise required by, or requested to be disclosed pursuant to, law, rule, or regulation, (vii) in connection with the exercise of any remedies hereunder or in any suit, action or proceeding relating to this Agreement and the enforcement of rights hereunder, (viii) by or to an affiliate, director, officer, employee, or agent (including professional advisor) of the disclosing party that is subject to a written agreement containing provisions substantially similar to those of this Section 8.13, (ix) by or to a prospective purchaser of the RVMTP Shares that is (a) a transferee that would be permitted pursuant to Section 2.1(b) of this Agreement and (b) aware of the confidentiality provisions of this Section 8.13 and is subject to an agreement with the transferor containing provisions substantially similar thereto and that states that the Acquiring Fund is an express third party beneficiary thereof, and (x) subject to an agreement containing provisions substantially similar to those of this Section 8.13 and with the prior written consent of the other party to this Agreement, which consent shall not be unreasonably withheld, to any actual or prospective counterparty in any swap or derivative transactions; provided that, notwithstanding the foregoing, the Investor (and its affiliates or their respective employees, representatives or agents) may only disclose Portfolio Information to its employees and agents who are subject to a duty, and/or have been directed, to keep and treat such information as confidential. In the event that Information is disclosed pursuant to any of clauses (i) through (vii) above, the party disclosing such Information shall (A) furnish only that portion of the Information which the party disclosing the Information is advised by outside legal counsel is legally required, (B) inform the recipient of the Information that the Information is confidential, (C) make commercially reasonable efforts to encourage the recipient of the Information to maintain the confidential and proprietary nature of the Information, and (D) conspicuously and clearly mark all of the Information as confidential before disclosing the Information. For the avoidance of doubt, Information disclosed to the Investor as a Holder or Designated Owner on a confidential basis in the offering documents relating to the RVMTP Shares or pursuant to the Related Documents is subject to the obligations of confidentiality set out in the preceding paragraph except to the extent otherwise provided above in this paragraph. For the avoidance of doubt, references in this Section 8.13 to "regulatory agency," "regulatory authorities," "government agency" and "law or regulation" shall be deemed to include the Internal Revenue Service and state taxation authorities.

Notwithstanding anything herein to the contrary, permitted recipients of Information and/or Portfolio Information (and each employee, representative or other agent of such recipients) may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and tax structure of the transaction contemplated by this Agreement. For this purpose, "tax structure" is limited to any facts

relevant to the U.S. federal income tax treatment of the transaction and does not include information relating to the specific identity of the parties.

8.14 Severability

In case any provision of this Agreement shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby so long as the intent of the parties to this Agreement shall be preserved.

8.15 Consent Rights of the Majority Participants to Certain Actions

For so long as none of the RVMTP Shares have been registered under the Securities Act, without the affirmative vote or consent of the Majority Participants, neither the Acquiring Fund nor the Board of Trustees will take or authorize the taking of any of the actions set forth under clauses (a) through (e) of this Section 8.15:

(a) The termination by the Acquiring Fund of any Rating Agency or the selection of any Other Rating Agency, either in replacement for a Rating Agency or as an additional Rating Agency with respect to the RVMTP Shares.

(b) The Acquiring Fund issuing or permitting to exist any "senior security" (as defined in the 1940 Act as of the date hereof or, in the event such definition shall be amended, with such changes to the definition thereof as consented to by the Majority Participants) other than the RVMTP Shares issued and sold pursuant to this Agreement or indebtedness for borrowed money of the Acquiring Fund, except (i) borrowings for temporary purposes in an amount not to exceed 5% of the assets of the Acquiring Fund, which borrowings are repaid within sixty (60) days of the incurrence thereof; (ii) the issuance of senior securities or the incurrence of indebtedness for borrowed money, the proceeds of which will be used for the Exchange, retirement, redemption or repurchase of the RVMTP Shares and costs incurred in connection therewith; (iii) the Acquiring Fund's previously issued and outstanding Remarketable Variable Rate MuniFund Term Preferred Shares, if any; (iv) the issuance of senior securities in the form of Preferred Shares that are *pari passu* to the RVMTP Shares (including, but not limited to, any additional Series of RVMTP Shares), provided that (x) any such senior securities be issued in a separate series from any series of RVMTP Shares held by the Investor, (y) an Increased Rate Period is not in effect at the time of the issuance of such senior securities, and, (z) for the avoidance of doubt, the Acquiring Fund will remain in compliance with all applicable Effective Leverage Ratio and 1940 Act Asset Coverage requirements upon and following the issuance of any such senior securities and (v) as may be otherwise approved or consented to by the Majority Participants, provided that if any such "senior security" is created or incurred by the Acquiring Fund it shall not require the approval of the Majority Participants if the Acquiring Fund exchanges, redeems, retires or terminates such "senior security" or otherwise cures such non-compliance within ten (10) Business Days of receiving notice of the existence thereof.

(c) The Acquiring Fund (i) creating or incurring or permitting to be incurred or to exist any lien on any other funds, accounts or other property held under the Declaration or the Statement, except as permitted by the Declaration or the Statement or (ii) except for any lien for the benefit of the Custodian of the Acquiring Fund on the assets of the Acquiring Fund held by such Custodian, or any lien arising by operation of law, pledging any portfolio security to secure any senior securities or other liabilities to be incurred by the Acquiring Fund (including under any tender option bond trust (or similar vehicle) of which the residual floating rate trust certificates will be owned by the Acquiring Fund) unless the securities pledged pursuant to all such pledge or other security arrangements are valued for purposes of such security arrangements in an aggregate amount not less than 70% of their aggregate Market Value for purposes of determining the value of the collateral required to be posted or otherwise provided under all such security

arrangements; provided, that the required collateral value under such security arrangements shall not exceed the Market Value of the exposure of each secured party to the credit of the Acquiring Fund; and provided further, that it shall not require the approval of the Majority Participants if any pledge or security interest in violation of the preceding sentence is created or incurred by the Acquiring Fund and the Acquiring Fund cures such violation within ten (10) Business Days of receiving notice of the existence thereof.

(d) Approval of any amendment, alteration or repeal of any provision of the Declaration or the Statement, whether by merger, consolidation or otherwise, that would affect any preference, right or power of the RVMTP Shares or the Holders thereof, provided, however, that (i) a change in the capitalization of the Acquiring Fund in accordance with Section 2.9 of the Statement shall not be considered to affect the rights and preferences of the RVMTP Shares, and (ii) a division of an RVMTP Share shall be deemed to affect such preferences, rights or powers only if the terms of such division materially and adversely affect the Holders of the RVMTP Shares. For purposes of the foregoing, no matter shall be deemed to affect any preference, right or power of an RVMTP Share of any Series or the Holder thereof unless such matter (A) alters or abolishes any preferential right of such RVMTP Share, or (B) creates, alters or abolishes any right in respect of redemption of such RVMTP Share (other than solely as a result of a division of an RVMTP Share).

(e) Approval of any action to be taken pursuant to Sections 2.6(g) and 2.16 of the Statement (other than the issuance of additional series of Variable Rate MuniFund Term Preferred or other Preferred Shares, the proceeds of which will be used for the Exchange, retirement, redemption or repurchase of the RVMTP Shares and, in each case, the costs incurred in connection therewith).

In addition, if the Board of Trustees shall designate a replacement to the S&P Municipal Bond 7 Day High Grade Rate Index pursuant to the definition of SIFMA Municipal Swap Index contained in the Statement, the Acquiring Fund shall notify the Holders of the RVMTP Shares within five (5) Business Days of such designation, and if within thirty (30) days of such notice the Majority Participants shall have objected in writing to the designated replacement, the Board of Trustees shall designate a replacement to such index as agreed to between the Acquiring Fund and the Majority Participants. In such event, the replacement index initially approved by the Board of Trustees shall be the index in effect for purposes of the Statement until a new index has been approved by the Acquiring Fund and the Majority Participants.

8.16 No Individual Liability

This Agreement is executed by or on behalf of the Board of Trustees of the Acquiring Fund, and the Board of Trustees of each Acquired Fund, as applicable, solely in their capacity as such trustees and shall not constitute their personal obligation either jointly or severally in their individual capacities. In accordance with the Declaration, no trustee, shareholder, officer, employee or agent of the Acquiring Fund, or any Acquired Fund, as applicable, shall be held to any personal liability, nor shall resort be had to their private property for the satisfaction of any obligation or claim or otherwise under this Agreement.

8.17 Separate Agreements

The use of a single agreement is solely for the convenience of the Acquiring Fund. Notwithstanding any other provision of this Agreement, this Agreement shall constitute and be construed as separate agreement among the Investor, the Acquiring Fund, and each Acquired Fund, severally and neither jointly nor jointly and severally, as though each Acquired Fund had separately contracted with the Acquiring Fund and the Investor by separate written instrument with respect to such Acquired Fund and no other person. Each obligation of each Acquired Fund shall constitute the obligation solely of such Acquired Fund, and shall not constitute the obligation of, or a joint obligation with, any other Acquired Fund, the Acquiring Fund or any other person. Each obligation of the Acquiring Fund shall constitute the obligation solely of

the Acquiring Fund, and shall not constitute the obligation of, or a joint obligation with, any Acquired Fund, or any other person. No Acquired Fund or Acquiring Fund shall be liable for, and the Investor shall have no recourse, to the assets of such Acquired Fund or Acquiring Fund for the obligations of any other Acquired Fund or the Acquiring Fund under this Agreement.

ELIGIBLE ASSETS

On the Effective Date and at all times thereafter:

1. "Eligible Assets" are hereby defined to consist only of the following as of the time of investment:

A. Debt obligations

i. "Municipal securities," defined as obligations of a State, the District of Columbia, a U.S. territory, or a political subdivision thereof and including general obligations, limited obligation bonds, revenue bonds, and obligations that satisfy the requirements of section 142(b)(1) of the Internal Revenue Code of 1986 issued by or on behalf of any State, the District of Columbia, any U.S. territory or any political subdivision thereof, including any municipal corporate instrumentality of 1 or more States, or any public agency or authority of any State, the District of Columbia, any U.S. territory or any political subdivision thereof, including obligations of any of the foregoing types related to financing a 501(c)(3) organization. For the purposes of the foregoing, "municipal securities" may include "municipal securities" acquired via origination or acquisition by the Fund, loan assignments, loan participations or similar interests that may not be considered "securities" as defined under the Securities Act (such securities, "Municipal Loan Investments"), provided that the Fund will not invest more than 15% of the Fund's total assets in Municipal Loan Investments (measured at the time of investment). The purchase of any municipal security will be based upon the Investment Manager's assessment of an asset's relative value in terms of current yield, price, credit quality, and future prospects; and the Investment Manager will monitor the creditworthiness of the Fund's portfolio investments and analyze economic, political and demographic trends affecting the markets for such assets. Eligible Assets shall include any municipal securities that at the time of purchase are paying scheduled principal and interest or if at the time of purchase are in payment default, then in the sole judgment of the Investment Manager are expected to produce payments (i) of principal and interest whose present value exceeds the purchase price or (ii) equal to the amount of interest and principal required to be paid on any such securities by the terms thereof.

ii. Debt obligations of the United States.

iii. Debt obligations issued, insured, or guaranteed by a department or an agency of the U.S. Government, if the obligation, insurance, or guarantee commits the full faith and credit of the United States for the repayment of the obligation.

iv. Debt obligations of the Washington Metropolitan Area Transit Authority guaranteed by the Secretary of Transportation under Section 9 of the National Capital Transportation Act of 1969.

v. Debt obligations of the Federal Home Loan Banks.

vi. Debt obligations, participations or other instruments of or issued by the Federal National Mortgage Association or the Government National Mortgage Association.

vii. Debt obligations which are or ever have been sold by the Federal Home Loan Mortgage Corporation pursuant to sections 305 or 306 of the Federal Home Loan Mortgage Corporation Act.

viii. Debt obligations of any agency named in 12 U.S.C. § 24(Seventh) as eligible to issue obligations that a national bank may underwrite, deal in, purchase and sell for the bank's own account, including qualified Canadian government obligations.

ix. Debt obligations of issuers other than those specified in (i) through (viii) above that are not "distressed or in default" and that are "marketable." For these purposes, an obligation:

(aa) is "marketable" if:

- it is registered under the Securities Act;
- it is offered and sold pursuant to Securities and Exchange Commission Rule 144A; 17 CFR 230.144A; or
- it can be sold with reasonable promptness at a price that corresponds reasonably to its fair value; and

(bb) is not "distressed or in default" if:

- (A) it has received an investment grade rating from an NRSRO, if not rated by an NRSRO, from the Investment Manager's internal rating analysis, (B) the obligor had adequate capacity to meet financial commitments under the security for the projected life of the asset or exposure as solely determined by the Investment Manager based on the Investment Manager's internal credit due diligence, which capacity is presumed if the risk of default by the obligor is low and the full and timely repayment of principal and interest at the time of acquisition by the Fund was expected, or (C) it is purchased by the Fund at a price that the Investment Manager believes is below the aggregate principal and interest expected to be received on the obligation.

x. Other assets that are not described in (i) through (ix) above, if the Investment Manager provides written notice to the Investor indicating the Fund's intent to invest in such asset and describing such asset in reasonable detail at least three Business Days prior to such investment and the Investor affirmatively approves such investment. The Investor will use commercially reasonable efforts to respond to the Investment Manager request within such three Business Day period.

xi. Certificates or other securities evidencing ownership interests in a municipal bond trust structure (generally referred to as a tender option bond structure) that invests in (a) debt obligations of the types described in (i) above or (b) depository receipts reflecting ownership interests in accounts holding debt obligations of the types described in (i) above.

xii. Bank capital securities of both non-U.S. (foreign) and U.S. issuers, other obligations including without limitation certificates of deposit, bankers' acceptances and fixed time deposits.

xiii. The bonds, notes and other debt securities referenced in (A) above shall be defined as Eligible Assets. An asset shall not lose its status as an Eligible Asset solely by virtue of the fact that:

- it provides for repayment of principal and interest in any form including fixed and floating rate, zero interest, capital appreciation, discount, leases, and payment in kind; or
- it is for long-term or short-term financing purposes.

B. Derivatives

- i. Interest rate derivatives;
- ii. Swaps, futures, forwards, structured notes, options and swaptions related to Eligible Assets or on an index related to Eligible Assets; or
- iii. Credit default swaps.

C. Other Assets

- i. Shares of other investment companies (open- or closed-end funds and ETFs) the assets of which consist entirely of Eligible Assets based on the Investment Manager's assessment of the assets of each such investment company taking into account the investment company's most recent publicly available schedule of investments and publicly disclosed investment policies.
- ii. Cash.
- iii. Repurchase agreements on assets described in A above.
- iv. Taxable fixed-income securities, for the purpose of acquiring control of an issuer whose municipal bonds (a) the Fund already owns and (b) have deteriorated or are expected shortly to deteriorate that such investment should enable the Fund to better maximize its existing investment in such issuer, provided that the Fund may invest no more than 0.5% of its total assets in such securities.

D. Assets not otherwise covered in A, B or C above that the Investment Manager may determine are in the best interest of shareholders of the Fund to acquire in pursuing a workout arrangement with issuers (of the types described in A above) of defaulted obligations, including, but not limited to, loans to the defaulted issuer or another party pursuant to the workout arrangement, or a debt, equity or other interest in the defaulted issuer or other party to the workout arrangement, provided that the Fund may not invest more than 2% of its total assets in any such assets.

E. Other assets, upon written agreement of all Holders of the RVMTTP Shares ("Holders") that such assets are eligible for purchase by the Holders.

F. Investment company registered under the 1940 Act sub-classified as "closed-end company" pursuant to Section 5(a)(2) of the 1940 Act that invests, under normal circumstances, at least 80% of the value of its Assets (as defined in Rule 35d-1 under the 1940 Act) in municipal securities.

G. Investment company registered under the 1940 Act sub-classified as an "open-end company" pursuant to Section 5(a)(1) of the 1940 Act that invests, under normal circumstances, at least 80% of the value of its Assets (as defined in Rule 35d-1 under the 1940 Act) in municipal securities.

2. The Investment Manager has instituted policies and procedures that it believes are sufficient to ensure that the Fund and it comply with the representations, warranties and covenants contained in this Exhibit B to the Agreement.

3. The Fund will, upon request, provide the Holder(s) and their internal and external auditors and inspectors as the Holder(s) may from time to time designate, with all reasonable assistance and access to information and records of the Fund relevant to the Fund's compliance with and performance of the representations, warranties and covenants contained in this Exhibit B to the Agreement, but only for the purposes of internal and external audit.
