

ANNUAL REPORT

2025

CELEBRATING

35 YEARS

Northrim Bank opened on December 4, 1990, with humble beginnings in a trailer in a midtown Anchorage parking lot. Today, we're a full-service financial institution serving large and small communities across Alaska—from Southeast to the Interior to Western Alaska—with 21 branches, more than 500 team members and over \$3 billion in assets.

A lot has changed over 35 years. We serve more customers, offer increasingly sophisticated solutions and support a broader range of financial needs than we could have imagined in 1990. Yet one thing has remained constant: who we are.

Northrim's culture has always been built on teamwork, collaboration and people supporting each other. As we've grown in size and across geographies, protecting and passing on that culture has taken dedicated focus. Whether someone has been with Northrim for decades or is just beginning their career with us, we carry it forward by demonstrating our values through action, celebrating shared milestones together and investing in the next generation of bankers.

The growth we've achieved over the past 35 years only matters if it makes us better at what we do: serve Alaskans with integrity, expertise and Superior Customer First Service, and doing what's right for our customers, our employees and our communities.

MISSION

To Be Alaska's Most Trusted Financial Institution

We are committed to adding value for our customers, communities and shareholders.

VISION

To Be Alaska's Premier Bank and Employer of Choice

We will be a leader in financial expertise, products and services, focused on continuous improvement and market growth.

VALUES

Proud To Be Alaskan

We are Alaskan managed. We embody Alaska's frontier spirit and values, and strongly support our communities.

Superior Customer First Service

We have a sincere appreciation for our customers. We want to build lasting customer relationships through professional, prompt and caring service.

Growth

We look for growth opportunities for our customers, our institution and our employees. We strive to be better, personally and professionally.

Integrity

We are trustworthy, reliable and ethical, and provide our customers with secure, confidential services. We do what is right.

MIKE HUSTON

MESSAGE TO OUR COMMUNITY

2025 was an outstanding year for Northrim, one that reflected years of disciplined execution of our strategic plan and the strength of the relationships we've built across Alaska.

We attained record profitability in 2025, driven by strong growth in both loans and deposits and continued gains in market share, an important measure as it tells us we're earning trust in a competitive landscape. Our performance earned national recognition, with Northrim named one of just 24 "Sm-All Star" small-cap banks in the Class of 2025 by Piper-Sandler, reflecting our growth, profitability, credit quality and capital.

This performance comes down to one thing we never stop investing in: our people. Recruiting, retaining and supporting the right team is essential to delivering the expertise and Superior Customer First Service that sets Northrim apart. Through our efforts, we are able to serve an ever-widening range of customers and meet increasingly complex needs.

Our success isn't just about financial metrics—it's equally about community. Strong performance allows us to keep delivering capital to projects across Alaska, support local entrepreneurs and reinvest in the communities we serve, including work that helps address needs like affordable housing.

As we celebrate 35 years, I'm proud that even as we've grown, we've stayed consistent in our focus on doing good work, building long-term relationships and providing Superior Customer First Service. That consistency is what helps us stay steady and responsive, even amidst ever-shifting market conditions.

Thank you for placing your trust in Northrim. We're proud to be Alaskan, proud to be growing and proud to be part of the community—today and for the long term.

Chairman, President and CEO

WE ARE

ENGAGED

We achieve more because we are dynamic, proactive and innovative.

ACCOUNTABLE

We take personal responsibility. We do what we say we will do.

ALIGNED

We value alignment within teams and across departments. Together we are stronger.

5-YEAR PICTURE

NET INCOME (IN THOUSANDS)

NET INCOME

2025 was a record year for Northrim. Net income increased 75 percent to \$64.6 million, driven by continued growth in loans and deposits along with gains related to the sale of assets by Pacific Wealth Advisors, in which we held a minority interest.

TOTAL ASSETS (IN THOUSANDS)

TOTAL ASSETS

Northrim's total assets were \$3.29 billion at the end of 2025, up 8 percent from a year ago.

PORTFOLIO LOANS (IN THOUSANDS)

PORTFOLIO LOANS

Portfolio loans were \$2.30 billion at December 31, 2025, up 8 percent from a year ago, primarily due to new customer relationships and expanding market share.

TOTAL DEPOSITS (IN THOUSANDS)

TOTAL DEPOSITS

Total deposits were \$2.81 billion at December 31, 2025, up 5 percent from a year ago.

NONPERFORMING ASSETS, NET OF GOVERNMENT GUARANTEES (IN THOUSANDS)

% = Nonperforming assets, net of government guarantees divided by total assets

Nonperforming assets net of government guarantees were \$11.4 million at December 31, 2025, down from \$11.6 million a year ago.

LOAN PORTFOLIO (IN THOUSANDS)

COMMERCIAL \$569,128		CONSTRUCTION \$175,261	
52%	25%	15%	8%
0.4%			
COMMERCIAL REAL ESTATE \$1,202,668		RESIDENTIAL REAL ESTATE \$348,948	
		CONSUMER \$9,658	

Our loan portfolio is diversified across sectors that help power Alaska's economy, from healthcare and tourism to aviation, fishing and more.

DEPOSITS (IN THOUSANDS)

DEMAND \$721,925		SAVINGS DEPOSITS \$250,006	
44%	26%	14%	9%
			7%
INTEREST-BEARING DEMAND \$1,242,546		TIME DEPOSITS \$402,759	
		MONEY MARKET DEPOSITS \$195,793	

As of June 30, 2025, Northrim's FDIC-reported deposit market share in Alaska rose to 17.53 percent, up from 15.66 percent in 2024. We continue to set, meet and celebrate market share goals.

OTHER 2025 FINANCIAL HIGHLIGHTS

- **Sale of Pacific Portfolio:** One of the contributors to last year's performance was the sale of assets by Pacific Wealth Advisors (Pacific Portfolio). In late 2025, Waverly Advisors purchased all the operating assets of Pacific Wealth Advisors (Pacific Portfolio). Under its new ownership, we believe that Pacific Portfolio will continue providing the same high level of independent wealth management and investment advisory services.
- **Subordinated notes offering:** In November 2025, Northrim completed our first subordinated notes offering. By issuing \$60 million in subordinated debt, we strengthened our regulatory capital levels and expanded our capacity for continued growth. As part of the process, Northrim received our first credit rating with an investment grade rating of BBB for the senior debt and BBB- for the subordinated debt, reinforcing the strength and quality of our organization. With this rating, the Bank stands out as a stable, prudently managed institution with strong earnings, conservative underwriting and consistently low credit losses; competitive with or superior to many similarly sized and larger national banks across the U.S.
- **Stock split:** In September 2025, Northrim completed a 4-for-1 stock split, increasing shares outstanding from approximately 5.5 million to 22 million. Our goal is to improve liquidity, make shares more accessible to a broader range of investors and support increased trading activity.

2025 COMMUNITY IMPACT

\$1.7M

in community contributions,
marking our third straight
year above \$1 million

\$150,000

to the University of Alaska
Foundation's Langland Northrim
Alaskan Leadership Endowment

impact in Western Alaska

\$300,000

commitment to the Troth Yeddha'
Indigenous Studies Center at the
University of Alaska Fairbanks,
helping the project towards its
\$10 million match challenge

Over 4,000 volunteer hours across 110 organizations

LOCAL BANKING, LOCAL IMPACT

Our financial results are more than numbers on a page—they increase our ability to reinvest in Alaska through lending, partnerships and community support. Deposits gathered in Alaska help fund loans in Alaska, including local businesses, housing and community projects. Those projects create jobs, expand services and increase the local property tax base that communities rely on to operate and grow.

As Northrim grows, our community support grows with it. Our long-standing giving priorities—economic development, community reinvestment, higher education and health and wellness—remain central to our approach. We're also expanding support into areas that matter most to our customers and communities, including Alaska Native initiatives and affordable housing efforts across the state.

Our team also gives back through service: in 2025, employees provided over 4,000 volunteer hours across 110 organizations, plus board and leadership service throughout the state. From youth programs and food security to education and economic development, our people continue to bring their expertise and energy to the communities they call home.

You have a choice in where to bank, and where you bank matters. We are grateful to our customers for trusting Northrim and helping us reinvest in Alaska's future.

SUPPORTING INDUSTRIES THAT KEEP ALASKA STRONG

In 2025, Northrim solidified significant new relationships with companies in industries essential to Alaska's long-term strength and stability. In a state where relationships matter, earning that trust is meaningful, reflecting focused efforts to serve the businesses that keep Alaska moving.

We reached this point through years of dedicated strategic execution: investing in the right people, strengthening technology and expanding products and treasury management capabilities to meet more complex customer needs.

Our unique approach also plays a role. We work together with our customers to get to yes—responsibly, creatively and in a way that works for everyone. This mindset has helped us support businesses of all sizes, from our favorite local restaurants to major companies driving Alaska's economy forward.

EXAMPLES OF INDUSTRIES WE PROUDLY SUPPORT

ALASKA NATIVE CORPORATIONS

From village and regional corporations, to their subsidiaries and nonprofit entities, Northrim supports projects that create long-term shareholder and community benefit, including healthcare, tourism and commercial development.

OIL AND GAS

Oil and gas remains a core driver of Alaska's economy, and we are proud to support the operators and projects that keep the industry moving, from exploration and production to transportation and critical infrastructure.

SMALL BUSINESS

Through the State Small Business Credit Initiative (SSBCI), we help expand access to financing for businesses across

Alaska, with a focus on underserved communities. In 2025, we provided \$57 million in SSBCI-related loans to support projects across a range of industries, from aviation and fishing to tourism and Tribal entities, making Northrim the program's largest participant in the state.

AFFORDABLE HOUSING AND DEVELOPMENT

As Alaska grows, housing remains foundational to workforce stability and long-term economic success. Northrim partners with housing authorities on low-income housing tax credit projects and works with developers and contractors to support projects that address Alaska's housing shortage. In 2025, we financed 676 single and multi-family housing units and continued broader support through community contributions and volunteer efforts, as well as a dedicated housing task force comprised of Bank leaders and industry experts.

MORE PLACES, MORE WAYS TO BANK

Part of Northrim's growth is about being where customers are and making banking easier across Alaska. Whether through a traditional branch or new delivery channels, our goal is the same: meet customers where they are with convenient, reliable service.

We are proud to be the only bank in Alaska that continues to expand its footprint across the state. In early 2026, we will open our 21st branch, located in Palmer, expanding our presence in the Mat-Su Valley. The new location responds to strong customer demand and complements activity at our busy Wasilla branch, while supporting local housing and development efforts in the Valley, one of the fastest-growing regions in the state.

PRODUCTS THAT SOLVE PROBLEMS

At Northrim, new products and services start with the question: What problem are we solving? We design solutions around real needs, test them against real-world use and move quickly when circumstances change.

Whether it's supporting borrowers through a difficult situation or creating short-term lending options during an unexpected disruption, our focus is the same: be responsive, stay flexible and do what's right for customers and communities.

In 2025, we demonstrated that approach in two meaningful ways:

- **Mortgage Debt Relief Program:** We created a practical solution that helped homeowners avoid unnecessary foreclosure costs and hardship.
- **Government Employee Pay Disruption Loan:** In response to federal government furlough-related income gaps, Northrim launched a rapid-response loan program within days. The Bank received 49 applications and closed 36 loans totaling \$187,312, supporting both customers and non-customers across Alaska during the 2025 shutdown.

TECHNOLOGY THAT DELIVERS CUSTOMER FIRST SERVICE

We view technology as an extension of how we deliver Superior Customer First Service to our customers every day.

In 2025, we continued investing in technology and people to help customers and employees stay ahead in a fast-changing environment. Key efforts included infrastructure upgrades, expanded use of collaboration tools and refinements to digital banking and treasury management capabilities to streamline and improve the customer experience.

Security, as well, remains an ongoing focus. As fraud becomes more sophisticated, Northrim continues to invest in tools, monitoring and employee awareness to help protect customers and the Bank.

With our robust team of IT experts, we will keep building the technology foundation that helps us operate safer and smarter, move faster and serve customers of all sizes more effectively.

SUBSIDIARIES, DIVISIONS AND AFFILIATES

Northrim's subsidiaries, divisions and affiliates expand the scope of services we offer customers while strengthening and diversifying the Bank. Together, they help us meet more financial needs across more markets, from home lending and investments to working capital solutions and insurance.

RESIDENTIAL MORTGAGE, LLC

A wholly owned subsidiary of Northrim Bank, Residential Mortgage provides expertise to current and prospective homeowners seeking financing solutions. The company remains the leader in Alaska while expanding its presence in Arizona, Colorado and the Pacific Northwest.

In 2025, the company continued to grow its originator base and origination volume. Combined with Northrim's mortgage servicing portfolio, Residential Mortgage contributed to strong performance in our Home Mortgage Lending segment.

NORTHTRIM INVESTMENT SERVICES

Through Northrim Investment Services, customers have access to investment solutions and insurance products through Elliott Cove Capital Management providing a broad, integrated set of financial services.

SPECIALTY FINANCE: NORTHTRIM FUNDING SERVICES AND SALLYPORT COMMERCIAL FINANCE

Northrim's Specialty Finance operating segment includes Northrim Funding Services and Sallyport Commercial Finance ("Sallyport"). Both businesses delivered outstanding results in 2025.

Northrim Funding Services, a division of the Bank, has provided factoring solutions to small and mid-size businesses since 2004, helping capital-constrained companies manage cash flow and navigate periods of growth or transition.

Sallyport, a wholly owned subsidiary acquired in 2024, is a leading provider of factoring, asset-based lending and alternative working capital solutions in the U.S., Canada and the U.K. In its first full year in the Northrim family, Sallyport complemented Northrim Funding Services, enhancing our factoring business, expanding our team of industry experts and further diversifying the Bank's income stream.

LEADERSHIP FOR TODAY AND TOMORROW

Planning for future change is part of how we lead. In 2025, Northrim Bank seamlessly transitioned from Joe Schierhorn, who retired after 35 years, to Mike Huston, Northrim President, CEO and Chairman, a result of thoughtful succession planning.

EXECUTIVE TEAM

Executive team (left to right):

Amber Zins, Chief Operating Officer; **Jason Criqui**, Chief Banking Officer; **Mike Huston**, President & CEO;
Nathan Reed, Chief Information Officer; **Mark Edwards**, Chief Credit Officer & Bank Economist;
Jed Ballard, Chief Financial Officer

The level of expertise of our senior and executive leadership team has been an integral part of our success. Collectively, this group has almost 300 years at the Bank. This longevity and experience continue to be a point of pride for us and a significant source of strength for the organization.

Northrim's Senior Management team includes TJ Alinen, Katie Bates, Ryan Caldwell, Sean Christian, Catherine Claxton, Gregory Deal, Douglas Frey, Joseph Gelione, Stephen Haggard, Josh King, Tammy Kosa, Doug Ladenburger, Kari Skinner, Erick Stoeckle, Mildred Sy, Latosha Taylor and Kevin Tillotson.

Looking ahead at Northrim goes well beyond executive leadership. Through our Summer Internship Program, Commercial Banker Trainee Program and Northrim Management Academy, we are building a strong pipeline of future bankers and leaders.

In 2025, we welcomed our largest intern class to date, with several returning interns and a highly competitive applicant pool. Several previous interns have moved into the Commercial Banker Trainee Program, and members of our first trainee cohort completed the program and moved into roles across the state. Meanwhile, our Management Academy continues to help talented employees develop their skills to one day move into higher leadership roles, and several capstone project ideas are being implemented to strengthen the Bank.

CUSTOMER FIRST SERVICE AWARDS

Our Customer First Service Awards recognize team members who go above and beyond for customers and coworkers, and are an important way we celebrate and encourage Superior Customer First Service. Selecting winners is both a joy and a challenge as there are so many strong examples of service across the organization.

2025 Customer First Service Winners:

Front Row - Alysia Isaako, Treasury Management Consultant II; **Mariah Sullivan**, Treasury Management Relationship Manager; **Josie Thayer**, VP-Treasury Management Relationship Manager; **NaLee Ly**, Loan Administrative Assistant III

Back Row - Janey May, Treasury Management Consultant; **Aili Peyton-Jalbert**, VP-Treasury Management Consultant; **Hunter Robertson**, Treasury Management Associate I; **Matthew Thayer**, Investment Advisor II; **Fernanda Delgado**, Credit Analyst II; **Cindy Cheely**, Assistant Branch Manager I; **Adrian De Jesus**, Assistant Branch Manager I

BOARD OF DIRECTORS

Our Board of Directors helps guide Northrim's long-term direction with insight rooted in Alaska's communities, industries and economy. Board members bring diverse experience, perspectives and geographic representation from across the state. Their guidance strengthens our decision-making and supports our work to serve customers, grow responsibly and invest in Alaska's future. We are deeply appreciative of the Board's time, expertise and commitment to Northrim, our customers and our state.

HONORING THE LEGACY OF A LONG-TIME LEADER

“Northrim has benefited from Joe’s vision, financial knowledge and community leadership through many years of dedicated service. He has made a lasting impact and helped ensure the long-term success of our organization.”

- Mike Huston

At the end of 2025, Northrim Chairman Joe Schierhorn retired after 35 years with the Bank he helped build from day one.

Joe was part of Northrim's original team when the Bank opened in 1990. Over the course of his career, he held key leadership roles including Executive Vice President and Chief Financial Officer, President and CEO and, most recently, Chairman of the Company and the Bank.

More than the titles held, Joe played a central role in crafting Northrim's culture. He helped shape Northrim's mission, vision and values—the qualities that continue to define the Bank today and that will be carried forward into the future.

Joe's contributions reached far beyond banking. In 2025, he was inducted into the Alaska Business Hall of Fame and honored as a Diamond Donor by United Way of Anchorage. His civic and professional service has included leadership

roles with the Alaska Bankers Association, Pacific Bankers Management Institute, Anchorage Chamber of Commerce, Anchorage Rotary Club and many other organizations that strengthen Alaska's economy and communities. Joe and his wife, Nancy, are known for their values of family, philanthropy and community involvement.

“It has been an honor to be part of the Bank since its inception. I’m retiring with confidence that Northrim will continue to be a vibrant, growing part of our community.”

- Joe Schierhorn

As he begins retirement, Joe plans to travel and spend more time with his family. We thank him for his extraordinary leadership, steady guidance and lasting impact on Northrim Bank and Alaska.

This report has not been approved or disapproved for accuracy or adequacy by the Federal Deposit Insurance Corporation, Federal Reserve Bank, Securities and Exchange Commission or any other regulatory authority.

Northrim Bank is an Equal Opportunity and Affirmative Action Employer. Qualified applicants and employees receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, age, national origin, physical or mental disability, protected veteran status, pregnancy, parenthood, marital status, changes in marital status, genetic information or any other status protected by federal, state or local law.

Cautionary Note Regarding Forward-Looking Statements

This report contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, as amended, which are not historical facts. These forward-looking statements are, in effect, management's attempt to predict future events, and thus are subject to

various risks and uncertainties. Readers should not place undue reliance on forward-looking statements, which reflect management's views only as of the date hereof. When used herein, the words "anticipate," "believe," "estimate," "expect" and "intend" and words or phrases of similar meaning are intended to help identify forward-looking statements. Although we believe that management's expectations as reflected in forward-looking statements are reasonable, we cannot assure readers that those expectations will prove to be correct as forward-looking statements are subject to various risks and uncertainties that may cause our actual results to differ materially and adversely from our expectations as indicated in the forward-looking statements. Many of these risks, as well as other risks that may have a material adverse impact on our operations and business, are identified in our filings with the Securities and Exchange Commission. Forward-looking statements contained herein are made only as of the date of this report, and Northrim does not undertake any obligation to release revisions to these forward-looking statements to reflect events or conditions after the date of this report.

- 1 These unaudited schedules provide selected financial information concerning the Company that should be read in conjunction with Part II Item 7. "Management's Discussion and Analysis of Financial Condition and Results of Operations" of this report.
- 2 Tangible book value per share is a non-GAAP ratio defined as shareholders' equity, less intangible assets, divided by common shares outstanding. Management believes that tangible book value is a useful measurement of the value of the Company's equity because it excludes the effect of intangible assets on the Company's equity. See reconciliation to book value per share, the most comparable GAAP measurement below.
- 3 Tangible common equity to tangible assets is a non-GAAP ratio that represents total equity less goodwill and intangible assets divided by total assets less goodwill and intangible assets. Management believes this ratio is important as it has received more attention over the past several years from stock analysts and regulators. The most comparable GAAP measure of shareholders' equity to total assets is calculated by dividing total shareholders' equity by total assets. See reconciliation to shareholders' equity to total assets, the most comparable GAAP measurement below.
- 4 Tax-equivalent net interest margin is a non-GAAP performance measurement in which interest income on non-taxable investments and loans is presented on a tax-equivalent basis using a combined federal and state statutory rate of 28.43%. Management believes that tax-equivalent net interest margin is a useful financial measure because it enables investors to evaluate net interest margin excluding tax expense in order to monitor our effectiveness in growing higher interest yielding assets and managing our costs of interest bearing liabilities over time on a fully tax equivalent basis. See reconciliation to net interest margin, the most comparable GAAP measurement below.
- 5 In managing our business, we review the efficiency ratio exclusive of intangible asset amortization, which is a non-GAAP performance measurement. Management believes that this is a useful financial measurement because we believe this presentation provides investors with a more accurate picture of our operating efficiency. The efficiency ratio is calculated by dividing other operating expense, exclusive of intangible asset amortization, by the sum of net interest income and other operating income. Other companies may define or calculate this data differently. For additional information see the "Other Operating Expense" section in Part II. Item 7 "Management's Discussion and Analysis of Financial Condition and Results of Operations" of this report. See reconciliation to efficiency ratio, the most comparable GAAP measurement below.
- 6 Number of banking offices does not include RML, NFS, or SCF locations. 2025 and 2024 number of banking offices includes 20 full-service branches. 2023 number of banking offices includes 19 full-service branches and one loan production office. 2022 number of banking offices includes 18 full-service branches and one loan production office. 2021 number of banking offices includes 17 full-service branches and one loan production office. 2020 number of banking offices includes 16 full-service branches and one loan production office.

Reconciliation of Selected Non-GAAP Financial Data to GAAP Financial Measures

These unaudited schedules provide selected financial information concerning the Company that should be read in conjunction with "Part II. Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations" of Northrim BanCorp, Inc.'s Annual Report on Form 10-K for the year ended December 31, 2025.
